

Ultimate Nail Salon Visit Checklist — Chicago 2025

Before your visit

- Map 3 nearby salons within 15 minutes
- Check licenses and online reviews
- Pack personal file, buffer, and SPF

Hygiene essentials

- Look for wrapped or autoclaved metal tools
- Confirm footbath liner change before soaking
- Watch hand washing and gloves

Service details

- Ask about ventilation at tables
- Confirm removal methods (especially gel/dip)
- Choose shades that fit your schedule

Aftercare basics

- Apply cuticle oil daily
- Use gloves for cleaning and chores
- Schedule fills or removals on time

Special requests

- Bring allergy info if needed
- Confirm price list before sitting
- Take a quick photo of your nails after service for future reference
